- Evaluates students' performance and provides effective and timely feedback to guide student learning and success.
- Responsible for contributing and maintaining an inclusive and collaborative environment.
- Enters grades and attendance into software used by Center.
- Engages in the classroom, replies to emails and voicemails, and holds on-campus or online office hours.
- Maintains knowledge in one's own discipline-related area by participating in professional development.
- Delivers tests and certifications following all procedures.
- Provides clinical and didactic instruction for the Dental Office Assistant Program in accordance with the curriculum outline and learning expectations.
- Supervises student training in dental offices and submits training-related reports as required.
- Enforces dental lab safety procedures.
- Discusses and demonstrates workplace safety, personal/patient safety, and infection control.
- Assists with activities of the Allied Health Programs including curriculum, facilities, equipment, student applications and orientation, program promotion, Advisory Board, externship partnerships and placements, and compliance with national accrediting agencies.
- Attends external meetings related to the Dental Office Assistant Program.
- Assists with the National Certification Testing application process.
- Must be available day and evening and some weekends.

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.

Minimum Qualifications

- New York State licensed Dental Hygienist or Dental Assistant with expertise in the Dental Assisting field or higher.
- 3+ years teaching and supervisory experience with extensive knowledge of instructional methods, techniques, and learning assessments.
- 2 years of recent, relevant clinical chairside experience.
- Eligible to take the Certified Dental Assistant (CDA) Exam through the Dental Assisting National Board (DANB) for future accreditation of the Dental Office Assistant Program.
- Possess a current BLS/CPR certification.
- Knowledge of dental practices and procedures including practical ethics and confidentiality, dental records, insurance coding, charts, and forms.
- Knowledge of workplace safety, personal/patient safety, and infection control.
- An equivalent combination of education and experience will be considered.

Preferred Qualifications

- One year of experience with online and hybrid teaching and related methodologies.
- Knowledgeable in multiple content areas and theoretical frameworks within stated discipline, as well as issues related to diversity and multiculturalism.
- Experience teaching in adult education.
- Experience teaching Allied Health courses and developing a curriculum.
- Participation in professional organizations such as the American Dental Assistants Association (ADAA), the American Dental Hygienists Association (ADHA), etc.
- Knowledge of Microsoft software and ability to work with computers and education-related databases.
- Experience working with a diverse student population.

Physical Demands

May be required to occasionally move items that are 11 to 20 pounds. Includes frequent moving, ascending/descending stairs, and positioning self to move carts.
