Job Description

Job Description Summary

Assistant Professor of Speech-Language Pathology (SLP) or Audiology (AUD) on a 9-month tenure-track appointment with potential to teach in the summer for extra compensation. While all areas of expertise will be considered, the ability to teach the following content is desired: Acoustics, Amplification, Speech Science, Hearing science, Anatomy & Physiology, and Statistical Methods. Responsibilities could include teaching undergraduate, SLP Master's, and AuD level students, conducting research in area of expertise, pursuing extramural funding, directing undergraduate and graduate student research and participating in departmental and university service.

Minimum Qualifications

At time of appointment, doctoral degree in Communication Disorders or closely allied area (1 year ABD considered as Instructor). Ability to teach graduate and undergraduate courses; potential for establishing a program of research, publication and extramural grant generation. A commitment to a diverse and inclusive campus environment.

The successful candidate must meet eligibility requirements for work in the United States at the time the appointment is scheduled to begin and continue working legally for the term of employment. Excellent communication skills teaching SLP or Audiology required.

Desired Qualifications

Evidence of promise in teaching, evidence of research interests and abilities, and an interest in pursuing external funding. Having CCC-SLP and potential for Alabama license. Prior record of peer-reviewed journal publication and grant experience are also desired.

Special Instructions to Applicants

Review of electronic applications begins November 27, 2023 and will continue until the position is filled.

Cover letter, curriculum vita, transcripts, and contact information for three reference providers required.

Auburn University is understanding of and sensitive to the family needs of faculty, including dual-career couples <http://www.auburn.edu/academic/provost/facultyjobs/>.

The Department of Speech, Language, and Hearing Sciences is housed in the College of Liberal Arts and has approximately 300 undergraduate majors, 50 graduate majors in speech-language pathology, and 35 doctor of audiology students.
