physiological and pathological conditions, including cancer.

The successful applicant will be expected to have an independent research program and contribute to the department's teaching programs. Applications are being accepted online at <https://unmc.peopleadmin.com/postings/83750>. Individuals from diverse backgrounds are encouraged to apply.

### **EEO/AA Policy**

Equal Employment Opportunity. The University of Nebraska Medical Center (UNMC) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. UNMC is dedicated to creating an environment where everyone feels valued, respected and included. Therefore, the University of Nebraska Medical Center does not discriminate based on race, color, ethnicity, national origin, sex, pregnancy, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, marital status, and/or political affiliation in its programs, activities, or employment. Sexual harassment in any form, including hostile environment and quid pro quo, is prohibited. UNMC complies with all local, state and federal laws prohibiting discrimination, including Title IX, which prohibits discrimination on the basis of sex.
