for providing leadership regarding the overall planning, implementation, recruitment, and evaluation of the BSN - DNP curriculum. For the Psychiatric Mental Health Nurse Practitioner concentration, the program director works closely with college administration including the Office of Student Affairs to achieve this mission. This program director works with the clinical support coordinator to assist in identifying and developing clinical placement sites. Student advisement and recruitment is expected.

Position Requirements:

- DNP or PhD in nursing or related field; Master's degree in Nursing is required if Doctorate is not in Nursing
- National certification as a Psychiatric Mental Health Nurse Practitioner (or eligible)
- Unrestricted RN license without probationary status (or eligible)
- Comprehensive knowledge and experience in specialty area
- Previous teaching experience is required; baccalaureate and higher education teaching experience is desired
- Prior administrative experience is desired

Apply at www.careers.msu.edu. Address letter of interest, curriculum vitae, and three references to: Dr. Anne Thomas, Associate Dean for Academic Affairs.

Learn more at nursing.msu.edu. Call (800) 605-6424 or email nurse@hc.msu.edu with questions.

Salary and academic rank commensurate with credentials and experience. Review of applications will begin immediately and continue until the position is filled.

MSU is committed to achieving excellence through cultural diversity. The university actively encourages applications and/or nominations of women, persons of color, veterans and persons with disabilities. Michigan State University is a land-grant university with a major focus on community engagement in the United States and throughout the world. The College of Nursing at Michigan State University is a growing community of scholars, teachers and practitioners with a full array of academic programs at the undergraduate, DNP, and PhD levels. There are excellent academic and student support operations and an outstanding Center for Nursing Research, Scholarship, and Innovation that provides support in all aspects of research and scholarly roles.
