advisement, applied scholarly activities and service to the department, college, university, and profession.

Minimum Qualifications:

At the rank of Assistant Professor:

- An earned PhD or research doctorate in occupational therapy, rehabilitation sciences or a related healthcare field from an accredited institution (ABD may be considered, but the doctorate must be completed by the start date)
- Experience working with students in a classroom and/or mentoring students in research.
- 1 year or more of experience in an academic setting
- Record of publications and/or grant writing

At the rank of Associate Professor

- All of the above, and:
- Prior appointment of Assistant Professor
- At least 5 years teaching and student-related responsibilities at the University level
- Substantial Record of publications, grant writing, and professional leadership
