The individual hired for this position will teach three to four courses per semester, advise students, supervise senior theses and internships, and provide service to the University and community.

The successful candidate will be a member of the Department of Environmental and Health Sciences on the NVU-Johnson campus, an interdisciplinary department with faculty in health sciences, environmental studies, biology, and outdoor education.

Salary: Based on qualifications and experience as defined by the VSC-VSCFF Agreement; generous benefits package.

Starting Date: August, 2020
