**Job Description**

**Position Summary**

The University at Buffalo School of Nursing invites applicants for a Certified Registered Nurse Anesthetist (CRNA) Clinical Faculty position. This is a full time (12 month) appointment to teach both in the Doctor of Nursing Practice (DNP) Nurse Anesthetist program and in the core courses within the DNP and undergraduate programs. Responsibilities include classroom and online didactic teaching, mentoring, supervising, and evaluating students in clinical and simulated learning environments, and supervising students in DNP capstone project courses. Responsibilities also include planning, developing and implementing evidence-based, innovative and interactive learning experiences for the adult learner across classroom and clinical learning environments, including a co-clinical coordinator role.

The University at Buffalo is SUNY's most comprehensive public research university, and an
