Job Description

Lecturer Pool - Residential and Online Instruction - School of Public Health

The School of Public Health at the University of California, Berkeley invites applicants to a pool of qualified temporary lecturers to teach courses in residential and online education formats, which includes Fall and Spring classroom instruction, On-Campus/Online Master of Public Health (OOMPH) online education program, the UCB/UCSF Joint Medical Program, and Berkeley Summer Sessions. Screening of applicants is ongoing and the number of available positions vary throughout the year. The positions are part-time, with a work effort often ranging from 17% to 33%; Berkeley Summer Sessions is paid on a by-agreement basis.

Per the UC-AFT bargaining agreement, the current minimum annual full-time salary ranges from \$56,381-\$65,384 depending on academic-year or fiscal-year appointment. The average annual full-time salary in the SPH is \$63,858-\$71,847, commensurate with prior college-level teaching experience, professional experience and degree held. The monthly salary will be prorated based on the work effort and duration of appointment. Berkeley Summer Sessions appointments are paid by-agreement per session.

The lecturer pool will remain open until February 14, 2022 to accommodate the School's instructional need. To receive full consideration for any openings, please submit a complete application with your area(s) of Specialization indicated. Only completed applications are reviewed and the hiring committee will contact candidates under consideration. All Lecturer positions are governed by the policies of the Memorandum of Understanding (MOU) of the UC-AFT union.

Diversity, equity, and inclusion are core values at UC Berkeley and the School of Public Health. Our excellence can only be fully realized by faculty, students, and staff who share our commitment to these values. Successful candidates for academic positions will demonstrate evidence of a commitment to advancing equity and inclusion.

In addition to teaching responsibilities, duties include developing and/or preparing course materials (e.g., syllabus, OOMPH videos, etc.), holding office/discussion hours, assessing student work and assigning grades, advising students, responding to email, maintaining a course website.

Areas of Specialization - Residential and Online Instruction:

- * Biostatistics
- * Community Health Sciences

- o -- Health & Social Behavior
- o -- Maternal, Child & Adolescent Health
- o -- Public Health Nutrition

- * Environmental Health Sciences
- * Epidemiology
- * Health Policy & Management
- * Infectious Diseases & Vaccinology
