### **Job Description**

The University of South Carolina College of Nursing is seeking to fill two post-doctoral fellowship positions with interest areas in chronic care and cancer survivorship.

The University of South Carolina provides a progressive and evolving research environment embedded within a major research-intensive university environment that is committed to research and scholarship excellence. The University has earned top-tier classifications from the Carnegie Foundations for research and for community engagement - one of only 55 public universities nationwide to earn both classifications.
