Job Description

UB School of Nursing is seeking adjunct faculty to teach in the RN to BS program.

Classes are offered during fall, spring and summer semesters.

The School of Nursing at the University at Buffalo strives to foster an environment of academic, scholarly excellence and to create a culture of inclusion and respect that values and respects people of all beliefs, abilities, religions, nationalities, backgrounds, genders, ages, sexual orientations, races or gender identities. The School of Nursing places a high priority on equity, diversity and inclusion in a supportive culture and climate. SON believes that diversity and quality of our faculty are inseparable and will enhance our ability to fulfill the mission of education, research and public service. Our recruitment process will attract diverse candidates that are highly qualified through their education, teaching and research experience, which in turn will provide our students with quality education.
