This position includes instructional support for students, and curriculum facilitation that includes developing, coordinating, and teaching and evaluating nursing content and nursing interventions. This position will require the development of expertise in the use of interactive and simulated technology, and the ability to collaborate with other faculty and staff in incorporating this technology in nursing education. This position assists in the operations of the Clinical Simulation and Learning Center laboratory space and equipment for undergraduate nursing students.

Please include a cover letter, CV, and academic transcripts when submitting your application.

The University of Kentucky considers the health, safety and well-being of our entire community to be a top priority. In alignment with this priority, all new hires must provide proof of COVID-19 vaccination or obtain an approved medical or religious exemption as a condition of employment. For areas that fall under the federal CMS mandate, start of employment cannot occur until two weeks after receiving the full COVID-19 vaccination series or upon obtaining an approved exemption.
