This is currently a unique opportunity to join and contribute to the growing research and educational programs in Vinmec Healthcare System as well as the upcoming VinUniversity College of Health Sciences (VU-HS). Vinmec desires a collegial, collaborative, outstanding medical educator with significant higher medical education career (particularly in residency program leadership).

The successful candidate will have a strong track record of leadership in higher education curriculum design, development and implementation in the University sector specifically in graduate medical programs, broad collaborative network.

This position is a full-time faculty appointment with a competitive start-up package. Vinmec and Vingroup offers an excellent remuneration package with various benefits of a leading private business corporation in Vietnam. More importantly, this is a great career opportunity for those academic leaders who want to pursue a meaningful journey to improve the quality of health care service and education reform with great impact on one of the largest populations in Asia.

Faculty rank and salary package will be commensurate with qualifications, regardless of gender, ethnicity, countries of origin, or religious background.

REPORT LINE

Reports to: Dean of Health Sciences

POSITION RESPONSIBILITIES

Medical education program development and leadership

- The successful candidate is expected to work closely with the Penn and Vinmec educational leaders, other Program Directors of Pediatrics Residency and General Surgery residency, Directors of MD Program as well as the Vinmec Hospital Clinical leaderboard on all aspects of the development and implementation of the Internal Medicine Program.
- Take lead and responsibility for the development and implementation of the curriculum for the Internal Medicine program at VU-HS/Vinmec hospital.
- Provide leadership on course development, curriculum development and implementation, course quality assurance and improvement, and professional accreditation for Residency education programs at VU-HS.
- Provide leadership at course levels for implementation of teaching and learning priorities such as competency based education, student centered learning, clinical teacher appraisal and articulation to post graduate's program.
- Promote the development of active teaching and learning practices in the delivery of the course ensuring integration of graduate attributes and competency standards across the course.
- Manage and oversee budgets for strategic funds allocated to course development.

Human Resource development, mentoring, and clinical teaching

- The candidate is also expected to maintain leadership and mentorship capability in advising Vinmec

ENGLISH PROFICIENCY

English is the language of teaching and communication at VinUniversity. For this role, the minimum requirement is IELTS (Academic) with a score of at least 7.0.

For Higher Education roles, English Language Proficiency may also be proven by having completed PhD studies while being instructed through the medium of English.

COMPENSATIONS

The salary and benefits are competitive and commensurate with qualifications and experience.

HOW TO APPLY

Please apply via <http://apply.interfolio.com/100868> and submit (1) a cover letter, (2) a resume and (3) two recommendation letters.

We thank all applicants for their interest. Please note that only those candidates selected for interviews will be contacted.

LIVING AND WORKING IN HANOI, VIETNAM

Work permit: VinUniversity will assist in and provide advice for obtaining the necessary paperwork needed for employment in Vietnam (visa, work permit, insurance, etc.). However, it is your responsibility to ensure that you can satisfy all the paper requirements in a timely manner.

According to Vietnamese Law, expatriates are required to submit all necessary documents for a work permit on the first day in Vietnam. For more information about the necessary documents, please refer to the information in this link.

Living costs: Vietnam has a comparatively low cost of living and expatriates can live a very comfortable life here with a moderate expenditure.

ABOUT VINUNIVERSITY

VinUniversity (VinUni: <https://vinuni.edu.vn/>) is the first private, not-for-profit Vietnamese university established based on international standards. The university integrates the models of excellent international universities with the unique cultural and economic characteristics of Vietnam, to make a breakthrough in Vietnamese higher education and to become a world-class university.

VinUni has strategic collaborations with the world's leading universities, including Cornell University and the University of Pennsylvania. These universities have become close advisors and crucial enablers in establishing the three colleges at VinUni: College of Business and Management, College of Engineering and Computer Science, and College of Health Sciences. Every aspect of the University: its curricula, research, faculty, student body, facilities, and campus life, is being developed to meet the highest standards set by the world's leading accrediting and ranking organizations, such as ABET, AACSB, Quacquarelli Symonds (QS) and Times Higher Education (THE).
