**Job
Description**

HIPRC is currently hiring for the position of Research Scientist/Epidemiologist (Requisition #204938) to support on-going research directly through the development and conduct of research, as well as indirectly, through research mentoring, education, and outreach. Our ideal candidate is a highly motivated, independent thinker and doer, who must be able to work effectively and collaborate as part of a team under the technical guidance of the HIPRC Research Core Director.

EEO/AA Policy

The University of Washington is an affirmative action and equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, gender expression, national origin, age, protected veteran or disabled status, or genetic information.

To request disability accommodation in the application process, contact the Disability Services Office at 206-543-6450 or dso@uw.edu.

COVID-19 VACCINATION REQUIREMENT

Governor Inslee's Proclamation 21-14.2 requires employees of higher education and healthcare institutions to be fully vaccinated against COVID-19 unless a medical or religious exemption is approved. Being fully vaccinated means that an individual is at least two weeks past their final dose of an authorized COVID-19 vaccine regimen. As a condition of employment, newly hired employees will be required to provide proof of their COVID-19 vaccination. View the Final candidate guide to COVID-19 vaccination requirement webpage for information about the medical or religious exemption process for final candidates.
