**Job Description**

UB School of Nursing is seeking tenure-track assistant professors or tenured associate or full professors to contribute to our growing and exciting research and education programs. The current programs of research in the School of Nursing include: promoting health, addictions, health disparities among vulnerable populations (racial, ethnic minorities; African immigrants, LGBTQ+), risk behaviors in adolescence, oncology, sleep, palliative care, informatics and care transitions. Highly competitive compensation and benefit packages commensurate with experience and qualifications are available. Inter-professional clinical and research program opportunities are readily available at UB.

\*About UB\*

The University at Buffalo is SUNY's most comprehensive public research university, and an

outstanding place to work. UB amplifies ambition for faculty and staff by offering endless possibilities to achieve more. Here, people from all backgrounds and cultures challenge and inspire each other to discover, learn and succeed. Dedicated staff and engaged faculty collaborate to further knowledge and understanding, and develop tenacious graduates who are valued for their talents and their impact on global society.

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
