This faculty position is a full-time, 100% FTE (11 Months, August - June) Tenure Track position as Instructor of Nursing (Pediatrics) in the Division of Nursing and Allied Health located at Evergreen Valley College. Assignment may include day and evening responsibilities. Some workdays may be assigned outside the eleven-month academic calendar.

This position is represented by the San Jose/Evergreen Federation of Teachers, AFT 6157.

DUTIES AND RESPONSIBILITIES

The assignment includes teaching in a classroom setting, simulation and skills laboratory, acute care hospital and community-based health care settings. The nursing curriculum is progressive with each course content and outcomes building on the subsequent courses and culminating in the 4th semester program outcomes. As a result, the faculty collaborate on curriculum and overall program evaluation.

Under the general supervision of the Division Dean of Nursing and Allied Health, the instructor will be assigned to teach theory and clinical for pediatric nursing. This faculty may also be required to teach medical-surgical nursing as needed. As a member of the faculty, this person will accept collegial responsibilities associated with full-time status.

1. Ability to lecture, complete clinical evaluations, write test questions that demonstrate critical thinking and remain clinically competent.
2. Participate in SLO Assessment, program review, program and college accreditation and state approval processes.
3. Participate in meetings, develop effective learning activities and evaluate tools/criteria for theory and clinical teaching.
4. Keep accurate anecdotal notes and information supporting student performance in clinical.
5. Work effectively within a team-teaching structure, through consistent team meeting attendance and communication among all program faculty team members.
6. Teach courses in assigned discipline by communicating subject matter clearly and effectively.
7. Adapt methodologies for students with special needs and different learning styles.
8. Demonstrate commitment to professional development, including but not limited to activities such as: participation in professional conferences, workshops, seminars, membership in professional

organizations, research projects, publishing academic work, participation in statewide committees or organizations, etc.

9. Demonstrate sensitivity in working with students and staff of diverse racial, ethnic, academic and socio economic backgrounds, sexual orientation, and disabilities by showing respect for differences and the dignity of others.

10. Participate in faculty responsibilities such as: course and curriculum development and review, student learning outcomes and assessment, program review, committees, research and special projects as needed in the discipline/department or district.

11. Attend and participate in department, division and college meetings and keep posted office hours.

12. Meet record keeping obligations on time, e.g. grades, census, reports, rosters, textbook orders, and requisitions.

13. Maintain and provide current course syllabi as required by California Education Code and Board policy.

14. Foster a professional work and learning environment.

15. Perform other duties as required by the Collective Bargaining Agreement.

Required Qualifications:
