Job Description

The Center of Excellence for Alzheimer's Disease is a DOH funded program to support the Alzheimer's Disease and Memory Disorders Center (ADMDC) at the University at Buffalo to provide state of the art medical services consistent with evolving practice standards which enhances and standardizes AD/D care in the region. The goal is to facilitate early diagnosis, provide assistance with care planning, educate the health care workforce and integrate special populations.

The CEAD is seeking a part-time professional to fill the position of Social Worker. In this role, you will:

- * meet with patients, families and caregivers at the ADMDC locations, satellite clinics and via telemedicine. (Travel is reimbursed)
- * SW will provide patient and caregiver assessments
- * participate in interdisciplinary team meetings
- * develop patient specific care plans which meet specified standards and timescales
- * provide education and coaching to patient
