towards teaching and service (10-20% maximum). Teaching may include mentoring of graduate students and post-docs. The successful candidate will be appointed within the relevant academic department of SHP.

Rutgers is a research intensive university with state of the art research core services and a strong research support infrastructure. Rutgers SHP, one of the top ranked schools of its kind in the nation, offers a unique and nurturing environment to conduct interdisciplinary and team based research. The School has fostered a culture of collaboration and a strong community of support for research faculty to build their programs and to thrive.

MINIMUM ACCEPTABLE QUALIFICATIONS

Tenure track faculty must hold a doctoral research degree, ideally a PhD or equivalent, should have post-doctoral research training or academic-focused industry experience, and Health-related research focus. Rank is based on criteria including, but not limited to, research experience, scholarly productivity, evidence of independence, level of national and/or international impact and recognition, and history of extramural funding.

Preferred area of expertise:

Candidate should have research expertise in diverse areas, including but not limited to

Digital Health
Implementation Science
Health-related AI and Data Science, Clinical and Health Informatics
Neuro-rehabilitation, Exercise and Movement Science
Rehabilitation Engineering
Clinical or Preventive Nutrition, Dietetics, Nutrition Science
Behavioral, Mental Health and Rehabilitation counseling research
Health Disparities
Health Outcomes Research
Clinical Trials

The successful candidate will have a portfolio that will complement and strengthen SHP’s vision and mission.

ESSENTIAL DUTIES AND RESPONSIBILITIES

Lead an independent research program
Collaborate with others to promote interdisciplinary and team based science
Secure extramural funding to support their research program, including the percentage of their salary allocated to research
Disseminate their research in high quality journals and through conference presentations and other means of scholarly dissemination
