Job Title Associate Professor in Genetic Counselling
Location Doha,QA
Department Name Biomedical Science Department
College/Department Profile
Qatar University profile :

Qatar University is the national institution of higher education in Qatar. It provides high quality undergraduate and graduate programs that prepare competent graduates, destined to shape the future of Qatar. The university community has diverse and committed faculty that teach and conduct research, which addresses relevant local and regional challenges, advances knowledge, and contributes actively to the needs and aspirations of society.

Qatar University is an intellectual and scholarly community characterized by open discussion, the free exchange of ideas, respectful debate, and a commitment to rigorous inquiry. All members of the University - faculty, staff, and students- are expected to advance the scholarly and social values embodied by the university .

College Profile:

The College of Health Science (CHS) was founded in 2016 following a 30-year success story as a department within various colleges at Qatar University. CHS is the national provider of high quality health sciences education and research in Qatar and offers undergraduate (BSc) programs in biomedical sciences, human nutrition and public health, as well as graduate programs; (MSc) in biomedical science and master of public health (MPH).

CHS Vision:

The College of Health Sciences aspires to be an internationally-recognized model of excellence with distinction in teaching, research, and community service.

CHS Mission:

In alignment with Qatar Vision 2030, our mission is to develop competent student graduates duly prepared for careers in health science-related disciplines who will contribute to the delivery of
