Job Description	

Job Description

Old Dominion University (ODU) invites applications for a **full time, ten-month Lecturer position** in the [Exercise Science Program](#) within the [College of Health Sciences](#). The appointment is effective **July 25, 2024**. The Exercise Science program boasts three state-of-the-art laboratories ([Human Performance Lab](#), [Neuromechanics Lab](#), and [Wellness Institute & Research Center](#)) and employs 10 full-time core faculty currently. We are committed to maintaining a diverse and stable faculty.

The selected candidate will be expected to provide excellent instruction in 4 undergraduate exercise science courses each Fall/Spring semester and engage in service to the department, college, university, and/or discipline, which may include mentoring students/faculty and/or community engagement. We seek a candidate that provides engaging, organized, and evidence-based instruction

Lecturer of Exercise Science (Non-Tenure Track)
