the Franciscan Sponsorship Values and honoring the legacy of the founding congregation through transformative education, unity in diversity, leadership through service, integrating faith and life, and institutional policies.

- Follow and practice within the accepted standards regulating the practice of nursing.
- Supports overall philosophy and goals of the nursing program.
- Supervises students during clinical experiences utilizing clinical learning outcomes.
- Communicates with didactic faculty and/or course coordinator to coordinate didactic and clinical learning.
- Communicates with didactic faculty and/or course coordinator regarding student performance.
- Promotes positive relationships among Marian University community, nursing students and the clinical learning facility personnel.
- Evaluates and completes forms regarding student's clinical performance and associated written assignments. Provides written and verbal feedback to students.
- Notifies course coordinator, students and clinical personnel of change of scheduling, i.e. snow days.
- Clinical areas may include: Adult Health, Assessment, Fundamentals, Maternity, Mental Health, Leadership, and Pediatrics

Required Qualifications:

- Master of Science degree in Nursing with specialization appropriate to area of responsibility, or documentation of working on Master's Degree.
- Current Registered Nurse license in the State of Indiana.
- Current BLS certificate.
- Experience for at least 2 years in the practice of nursing.
- Maintaining membership and active participation in professional nursing associations is desirable.
- Able to commit to one day per week during semester (August start or January start).

Review of applications will begin immediately and continue until the position is filled. Applications require responses to the supplemental mission questions.

Marian University is an Equal Opportunity Employer. All individuals, including minorities, women, individuals with disabilities, and veterans are encouraged to apply.
