**Apply By Email**

**Job Description**

The University at Buffalo, School of Public Health and Health Professions (SPHHP), [Department of Exercise and Nutrition Sciences](#) (ENS) is recruiting a state funded, 10-month faculty position at the **Clinical Assistant Professor** rank to join the Masters of Science in Athletic Training Program.

The Masters of Science in Athletic Training began in 2018 and gained initial accreditation from the CAATE in 2020. It is housed as part of the Academic Health Center (Schools of Medicine and Biomedical Sciences, Dental Medicine, Pharmacy and Nursing) allowing for seamless integration of inter-professional education and access to facilities such as a simulation center. Since its inception, it has a 100% overall BOC pass rate and 100% job placement rate. The program has over 70 clinical

sites and over 100 preceptors throughout the country. With the continued growth of the athletic training program, this is a new faculty position.

Responsibilities may include:

- Teaching graduate athletic training courses within the candidate's area(s) of contemporary expertise
- Contribute to the refinement of the program's framework and participate and contribute to continuous programmatic quality improvement
- Working with standardized patients and simulation
- Scholarship within the candidate's area(s) of contemporary expertise
- Assist with maintaining CAATE accreditation
- Perform service to the program, profession and School of Public Health and Health Professions to possibly include working the NHL Player's Combine, NHL Official's Combine and Buffalo Marathon medical team
