Job Description

ABOUT VINUNIVERSITY

VinUniversity (VinUni: <https://vinuni.edu.vn/>) is a private, not-for-profit Vietnamese university established based on international standards. The university integrates the models of excellent international universities with the unique cultural and economic characteristics of Vietnam, to make a breakthrough in Vietnamese higher education and to become a world-class university.

VinUniversity has strategic collaborations with the world's leading universities, including Cornell University and the University of Pennsylvania. These universities have become close advisors and crucial enablers in establishing the four colleges at VinUniversity: College of Arts and Sciences, College of Business and Management, College of Engineering and Computer Science, and College of Health Sciences. Every aspect of the University: its curricula, research, faculty, student body, facilities, and campus life, is being developed to meet the highest standards set by the world's leading accrediting and ranking organizations, such as ABET, AACSB, Quacquarelli Symonds (QS) and Times Higher Education (THE). VinUniversity's founding benefactor, Vingroup, is one of the biggest private conglomerates in Asia with the largest market capitalization value in Vietnam. As a multisector corporation, Vingroup focuses on three main areas: Technology; Industry; and Property Services. VinUniversity is proud to be a part of the Vingroup ecosystem, giving its students opportunities to connect with several high-quality research institutes (such as VinAI, and VinBigData), pioneering industrial enterprises (such as VinFast), and leading Vietnamese companies (such as Vinpearl, Vinmec, and Vinhomes).

THE OPPORTUNITY

The clinical psychologist of the Ocean Park Clinic and VinUni student clinic will work closely with CHS faculty and staff to ensure the delivery of high-quality, holistic mental healthcare services while supporting the educational objectives of our medical trainees who will be rotating in both clinics. This role involves direct clinical work, including assessment, diagnosis, and treatment of a wide range of
