**Job Description**

The University at Buffalo [School of Nursing](#) (SON) invites applicants for a clinical faculty position dedicated to our undergraduate nursing program. This is a full-time (12-month) appointment to educate students in our four-year BS, accelerated BS, and RN to BS programs. Faculty must also commit to the tri-partite mission of service (school, university, profession), scholarship and scholarly projects, and pursuit of excellence in teaching. Faculty will continue to build and strengthen a core commitment to diversity, equity, and inclusion to prepare the leaders of tomorrow for service to their local, regional, state, national and global communities. The School of Nursing and the University at Buffalo aspire to become one of the top 25 public institutions in the nation.

Responsibilities include:

- Classroom and online didactic teaching, mentoring, supervising, and evaluating students in clinical and simulated learning environments.

- Collaborate with assistant dean, program coordinators, and faculty to plan, design, implement, and lead classroom, laboratory/simulated, and hospital/community student learning experiences.
- Use of Information Technology Services such as computer/audiovisual technology, testing vendor (ExamSoft), and learning management system (Brightspace).
- Serve as a professional role model and mentor to facilitate and ensure the planning, implementation, and evaluation of learning experiences.
- Establish collaborative and positive working relationships that respect the dignity, worth, and culture of students, faculty, staff, colleagues, peers, patients, families, communities, agency nurse managers, and interdisciplinary agency teams and staff. Participate in agency/organizational/unit orientations.
- Engage in clinical scholarship and in school, university, and community professional service.
- Maintain clinical nursing expertise as evidenced by continuing education or clinical practice.
- Adheres to ethical and professional nursing standards of practice.
- Attend monthly undergraduate meetings and serve on campus committees.
- Comply with state, university, clinical agency, and professional regulations/requirements.

We are seeking candidates who can operate effectively in a diverse community of students and faculty and share our vision of helping all constituents reach their full potential. We are committed to developing an excellent and diverse community of scholars and students engaged in education, research, and service. We encourage applications from members of historically marginalized groups, veterans, and individuals with disabilities.

### **About UB School of Nursing**

Founded in 1936, UB School of Nursing is a leader in high-quality nursing education and research in a dynamic university setting. Our mission continues our scholarly excellence as we educate clinical leaders, conduct impactful research, and deliver clinical care based upon principles of collaboration, equity, inclusion, and social justice for our region and the world. Our undergraduate programs prepare nurses for expanded professional roles in an increasingly complex and evolving health care environment, and our graduate and advanced certificate programs prepare clinicians, researchers, educators and leaders to provide complex care across settings, educate the next generation of nurses, and advance nursing and health care knowledge.

### **Outstanding Benefits Package**

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy
