- Curriculum development and systematic program review.
- Participate in service activities that contribute to the advancement of the department (e.g., Department, School, University, and Professional organizations)
- Demonstrate collegiality in all aspects of faculty engagement.
- Be expected to teach up to 12 credit hours per Fall and Spring semesters.

ENS is committed to developing an excellent and diverse community of scholars and students engaged in research, education and service. Applications from individuals who will contribute to that diversity, including underrepresented groups are encouraged.

Good communication and interpersonal skills are essential. The successful candidate will bring a vision for adaptation and continuous quality improvement in teaching effectiveness and potential to assist in the design and development of new courses and/or course revisions.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options.
