Department Name

College of Health Sciences/Department of Rehabilitation Sciences

College/Department Profile

College/Department Profile

Qatar University Profile:

Qatar University is the national institution of higher education in Qatar. It provides high quality undergraduate and graduate programs that prepare competent graduates, destined to shape the future of Qatar. The university community has diverse and committed faculty that teaches and conducts research which addresses relevant local and regional challenges, advances knowledge, and contributes actively to the needs and aspirations of society. Qatar University is an intellectual and scholarly community characterized by open discussion, the free exchange of ideas, respectful debate, and a commitment to rigorous inquiry. All members of the University - faculty, staff, and students - are expected to advance the scholarly and social values embodied by the university.

College Profile:

The College of Health Sciences (CHS) was established in 2016 following a 30-year success story as a department within various colleges at Qatar University. CHS is the national provider of high quality health sciences education and research in Qatar and offers undergraduate (BSc) programs in Biomedical Sciences, Human Nutrition, Physiotherapy, Public Health, Speech and Language Pathology as well as graduate programs in Biomedical Sciences (MSc), Public Health (MPH), Human Nutrition (MSc) and Minors in Food Safety and Public Health. It is part of the wider QU Health Cluster that includes the Colleges of Pharmacy, Medicine, Nursing and Dental Medicine - <http://www.qu.edu.qa/health>.

The College of Health Sciences aspires to have its faculty, staff, and students achieve distinction in teaching, research, and community services, and for the recognition of its health degree programs as models of excellence and exceptional achievement.

CHS Mission

In alignment with the Qatar Vision 2030, the mission of the College of Health Sciences is to prepare competent graduates who will contribute to the delivery of optimal healthcare, to promote research and scholarly activity and to prepare for careers in health care and higher education.

Department Profile:

The Department of Physical Therapy and Rehabilitation Science (PTRS) was launched in 2018 and Restructured into Rehabilitation Sciences (RH) in 2023. It offers two Bachelor of Science degree programs including BSc. in Physiotherapy and BSc. in Speech and Language Pathology.

The Speech and Language Pathology program was approved in Spring 2023 and will start its first intake in Fall 2023. The program is delivered in English and its curriculum is innovative and future oriented, thematic in nature with team-based learning, and moves away from the more traditional teaching pedagogies.

The RS Department seeks to appoint full time faculty members to commence their positions for the academic year 2023-2024, and the successful candidates will commence duty in Spring 2024/Fall 2024.

Duties & Responsibilities

The appointee will be expected to carry out the following activities, among others:

1. Deliver high-quality, innovative, student-centered courses as well as foundational courses in the degree program.
2. Participate in the preparation of the program for accreditation and other quality initiatives.
3. Contribute to developing research capacity within the Department.
4. Contribute to the stakeholder engagement within the professional community in support of teaching, research and professional development.
5. Contribute to various committees at the program, College, and University level.
6. Serve as student advisor.
