The Center for Movement, Health & Disability, in the Department of Human Movement Studies and Special Education, at Old Dominion University invites applicants for a Research Assistant Professor of Movement, Health, & Disability to begin in Fall 2025. This is a 10-month appointment. This position will be situated within the Center for Movement, Health, & Disability (CMHD), with duties that include developing and maintaining a nationally/ internationally visible research program, and seeking, applying for, and procuring external grant funding to support the mission and vision of the CMHD. The successful candidate will work closely with the CMHD directors to pursue external grant funding and develop a sustained grant portfolio that will in part support this position.

The successful applicant must have a record of empirical research publications and/or potential to develop and maintain a nationally/internationally visible research agenda, including grant submissions and successes.

**Minimum Qualifications - Education or training**

The successful applicant must have a doctoral degree (ABD with a completion date prior to July 15th, 2025 considered) in Adapted Physical Activity or a closely related field.
