- of Nursing practice (DNP), post-masters (DNP), and post-masters (advanced certificate students).
- Build scholarship with expectations to publish, present, and disseminate knowledge in your area of scholarly expertise.
- Maintains clinical nursing expertise and adheres to ethical and professional nursing standards of practice.
- Collaborates with faculty to plan, design, implement, and lead classroom, laboratory/simulated, and community-based practice student learning experiences.
- Assist Clinical Coordinator and FNP faculty with securing clinical placements for students.
- Establishes collaborative and positive working relationships that respect the dignity, worth, and culture of students, faculty, staff, colleagues, peers, patients, families, communities, agency nurse managers, and interdisciplinary agency teams and staff. Participates in agency/organizational/unit orientations.
- Serves as a mentor and professional role model to facilitate and ensure the planning, implementation, and evaluation of learning experiences.
- Assists students with the transfer, utilization, and synthesis of knowledge into current learning activities and practical experiences through establishment of physical and emotional environments conducive to effective teaching and learning.
- Establishes early intervention/remediation through specific written guidance and referral for activities to facilitate academic success in students demonstrating unsafe advanced nursing practice and/or who lack clinical preparation.
- Participate in committee service at the school and university levels.
- Complies with State, University, Clinical Agency, and professional regulations/requirements.

We are seeking candidates who can operate effectively in a diverse community of students and faculty and share our vision of helping all constituents reach their full potential. We are committed to developing an excellent and diverse community of scholars and students engaged in education, research, and service. We encourage applications from members of historically marginalized groups, veterans, and individuals with disabilities.
