Job Description

The department of **Biomedical Informatics (BMI)** at the Jacobs School of Medicine and Biomedical Sciences is a nationally recognized center of excellence in Biomedical Informatics and Translational Informatics. BMI offers a Master's and a PhD program and has recently added an undergraduate program. We also have an ACGME accredited Clinical Informatics Fellowship for physicians to become board certified. During the grandfather period, the NLM T15 fellowship can count toward board eligibility in Clinical Informatics.

This is a NIH, NLM T15 sponsored Post-doctoral fellowship in Biomedical Informatics. Its training prepares one for a career in academia or industry, performing research in the field of Biomedical Informatics. There is also potential for concurrently obtaining a Master's Degree in Biomedical Informatics.

Postdoctoral Associate, Biomedical Informatics
Department
University at Buffalo, The State University of New York

The Postdoctoral Associate will study and perform research in Biomedical Informatics, working on one or more of the following:

- Artificial Intelligence / Machine Learning
