**Required License/Registration/Certification**

None

**Job Summary**

The College of Public Health is in search of a lecturer whose main role involves instructing undergraduate students as the primary course instructor.

The primary activity includes teaching undergraduate students and may include designation as course director. Other responsibilities include serving as a consultant to other college or university units, designing new courses, developing courses for distributed learning formats, creating innovative course delivery materials, and engaging in the development/maintenance of an undergraduate public health major/minor and/or undergraduate certificate in public health.

Applicants must submit a letter of interest, a current curriculum vitae, a teaching portfolio (as Specific Request 1), and three references when prompted by the system.
