Job Description

Job Description

The Center for Movement, Health & Disability, in the Department of Human Movement Studies and Special Education, at Old Dominion University invites applicants for a Research Assistant Professor of Movement, Health, & Disability to begin in Fall 2025. This is a 10-month appointment. This position will be situated within the Center for Movement, Health, & Disability (CMHD), with duties that include developing and maintaining a nationally/ internationally visible research program, and seeking, applying for, and procuring external grant funding to support the mission and vision of the CMHD. The successful candidate will work closely with the CMHD directors to pursue external grant funding and develop a sustained grant portfolio that will in part support this position.
