NTU Singapore is in one of the world's most rapidly growing countries. As a beautiful and vibrant nation in Southeast Asia, Singapore attracts top talent from around the globe. NTU Singapore is one of the major universities in Singapore and in the world. It is one of the most creative and innovative universities internationally. NTU Singapore continues to invest in talent, strengthening existing domains and expanding to new and emerging fields. We seek scholars that are committed to pioneering research and have a strong dedication to teaching and mentoring students. The university fosters a dynamic and collaborative community and aspires to address global challenges.

The School of Chemistry, Chemical Engineering and Biotechnology (CCEB) is a unique department at NTU Singapore, advancing cutting-edge education and research in diverse areas of chemistry, chemical engineering, bio(medical)engineering, biotechnology, and other relevant multidisciplinary fields. CCEB invites applications for multiple positions in the general area of Bioengineering at all ranks (Assistant, Associate and Full Professor).

We welcome all outstanding candidates with a Ph.D in Bioengineering or a related discipline to apply. We offer excellent and competitive start-up packages and salaries.

Candidate applications should include (1) A cover letter and detailed CV, (2) Statement of professional interests and goals in research (up to 5 pages including figures but excluding references), (3) Statement of aspiration in teaching (up to 2 pages), (4) Three selected publications, and (5) Addresses of three or more references who will provide recommendation letters, and are to be submitted to NTU career portal.

CCEB seeks a diverse and inclusive workforce and are committed to equality of opportunity. Applicants, irrespective of race, color, sex, sexual orientation, gender identity, pregnancy, religion, disability, age, genetic information, veteran status, ancestry, or national or ethnic origin, are encouraged to apply.

All applications and enquiries should be addressed to: Prof Shunsuke Chiba (shunsuke@ntu.edu.sg), Chair of CCEB.
