Job Description

Job Details

Description

As a part of a diverse community of faculty and staff who represent many faith systems and worldviews, Marian University seeks an Assistant Professor Graduate Nursing CRNA, Clinical Supervisor to promote our Catholic Franciscan mission and identity by assisting in developing and teaching assigned courses in the Nurse Anesthesia Doctor of Nursing Practice (DNP) graduate program.

Additionally, this position will advise/mentor program students, serve as a primary advisor on DNP scholarly projects, and work collaboratively with the graduate nursing faculty/Marian University faculty and staff. Candidates who do not currently possess a doctoral degree but are experientially qualified

and enrolled in a doctoral program with an expected degree completion within 12-18 months of application may be considered for this position.

Essential Duties and Responsibilities:

Actively engage the Catholic Franciscan mission and identity of Marian University by modeling the Franciscan Sponsorship Values and honoring the legacy of the founding congregation through transformative education, unity in diversity, leadership through service, integrating faith and life, and institutional policies.

Designs and delivers course material based on the graduate philosophy, course description, course outcomes, and program outcomes.

Translates learning material to online, hybrid, and synchronized classes.

Evaluates student work and clinical performance based on outcome rubrics/clinical evaluations.

Monitors and evaluates student e-portfolios.

Advises/Mentors assigned program students.

Serves as an advisor for students DNP Scholarly Projects.

Engages in clinical practice to maintain professional skills and serve as a model/resource for faculty and students.

Participates in student recruitment, student selection, and public relations.

Other duties as assigned.

Required Qualifications:

Knowledge of and commitment to the mission of Marian University.

Doctoral degree in nursing or related field from an accredited institution strongly preferred (PhD, DNP, DNAP)

Candidates with experiential qualification and current enrollment in a doctoral program or current enrollment in program with expected completion within 12-18 months of application may be considered.

Current CRNA certification

Evidence of current clinical practice

Current member of AANA and current RN/APRN licensure in state of residence

Eligibility for IN RN license

Previous experience in higher learning education preferred

Excellent communication, collaboration, and interpersonal skills

Competency in MS Office products.

Review of applications will begin immediately and continue until the position is filled.
