DEPARTMENT OVERVIEW:

The Department of Nursing is seeking a full-time, tenure track Nursing instructor with Medical-Surgical and Obstetrics BRN approval or ability to be approved before start date. The 1-year Accelerated Registered Nursing Associate Degree program is offered once each calendar year beginning in January, and includes courses in Spring semester, Summer session, and Fall semester. Theory courses will be offered online with clinical courses offered at local area clinical sites and through virtual simulation. Instructional days for clinical may include Saturdays. Teaching in our Nursing Program is a very rewarding experience as you guide students to becoming competent nurses in their future career.

POSITION DUTIES:

In addition to the representative duties below, the specific position is also responsible for:

- Providing online theory and direct patient care clinical instruction in medical, surgical, Obstetrics and other specialty areas in the Accelerated Registered Nursing Associate Degree Program.
- Supervising students' direct patient care clinical experiences and virtual simulation experiences.
- Evaluating and advising students in clinical and online classroom settings.
- Assisting the RN Program Director and department chair with the coordination of curriculum, staff, facilities, and schedule for the Accelerated Registered Nursing Associate Degree Program.
- Assisting the RN Program Director and department chair in securing and maintaining clinical sites for student placement throughout our service area.
- Working cooperatively and effectively with department staff and clinical agencies to carry out the instructional plan of the Accelerated Registered Nursing Associate Degree Program.
- Complying with Board of Registered Nursing requirements to maintain program approval and standards teaching lecture, skills lab, and clinical courses.
- Must maintain standards and qualifications to teach at all clinical sites.
