Posting Detail Information

Position Summary

The [Division of Population Health](#), Department of Medicine within the Jacobs School of Medicine and Biomedical Sciences seeks a **Health Educator**. In this role as a Health Educator, you will deliver protocol driven health education interventions to study participants within the Division of Population Health via face-to-face, telephone, or videoconferencing technology as appropriate). The ideal candidate will practice strategic thinking, attention to detail, be dependable, enjoy working in a highly collaborative setting, and remain flexible in a fast-paced environment.

Primary Functions

- Deliver protocol driven health education interventions to study participants.
- Schedule and coordinate sessions, attend and participate in supervision sessions, record sessions as directed, and perform research health educator data collection during initial visit and follow-up sessions.
- Organize and remind study participants of upcoming appointments.
- Train study participants on key elements of study protocol.
- Monitor study participant adherence to key elements of the study protocol.
- Assist with multiple research grants as needed with tasks to support PI in writing and presenting research reports and research protocols.
- Perform duties needed including case management and decision-making and work collaboratively with other center personnel to achieve goals of research studies.
- Serve as liaison to various team members to ensure smooth running of research projects. Track and monitor adverse patient outcomes.
- Provide health education to community sites, establish and nurture community partnerships, work with designated community sites to advance research, education, and training mission of the center.
- Other duties as assigned.

Knowledge - Skills - Abilities

- Knowledge of biology, clinical judgement, documentation, records management, and cultural awareness.
- Building trust, collaboration, decision-making skills, communication, critical thinking, and influencing skills.
