<b>Job Description</b>	

The Department of Speech, Language, and Hearing Sciences at Auburn University invites applications for a twelve-month, non-tenure-track Lecturer in Speech-Language Pathology position. Responsibilities include supervision of graduate students in clinical practice in on-and off-campus sites including direct supervision of student interactions and evaluation of student performance. Duties will include teaching discipline-related courses and treatment of clients with voice disorders in the clinical setting. The candidate is also expected to participate in departmental committee structure and engage in clinically-related professional activities such as innovative clinical program development, research collaboration with other faculty, and participation in professional activities representing the department at local, regional, and national levels. The university has a career ladder for lecturers allowing lecturers who demonstrate sustained outstanding performance at the lecturer level to go up for promotion to senior lecturer after a minimum of five years.

The Department of Speech, Language, and Hearing Sciences is housed in the College of Liberal Arts

and has approximately 285 undergraduate majors, 50 graduate majors in speech-language pathology, and 40 doctor of audiology students. Presently, the department has 18 full-time faculty positions. (10 PhD, 3 AuD, and 5 Master's level.) The program offers a Master of Science degree in speech-language pathology with and without a thesis option. The department also offers a professional Doctor of Audiology degree and the Bachelor of Science in Speech, Language, and Hearing Sciences. The clinic website is <http://www.aushc.org> and the Department website is <http://www.cla.auburn.edu/communicationdisorders/>. The department has been accredited in both speech-language pathology and audiology for over 55 years and is nationally respected. Auburn University has numerous university-wide and College of Liberal Arts intramural grant opportunities available for junior faculty to assist establishment or growth of research lines.

Auburn University is the state's land grant university, located in Auburn, AL. Situated in the east-central portion of the state; the region experiences mild winters and otherwise moderate temperatures. University enrollment exceeds 25,000 students and the twin cities of Auburn and Opelika have more than 120,000 residents. The university is located 35 minutes from Columbus, GA; 50 minutes from Montgomery, AL; and 90 minutes from Atlanta, GA and Birmingham, AL. Auburn is less than 4 hours from the Florida Gulf Coast, which offers some of the most beautiful beaches in the country.
