The School of Biological Sciences (SBS), part of the College of Science, was established in 2002 with a mission to advance biological and biomedical sciences. At SBS, our research spans various areas, including infectious diseases, immunology, neurodegenerative diseases, telomere biology, and genome function. Over the years, SBS has attracted talented individuals from around the world and Singapore to join as scientific leaders and researchers.

For more details, please view <https://www.ntu.edu.sg/sbs>.

Project Officer Position in Chinese Medicine

A Project Officer position is available in the laboratory of Associate Professor Linda Zhong at SBS. The project focuses on clinical and translational research related to obesity.

Key Responsibilities:

- Conduct research on obesity and digestive disorders.
- Perform surveys related to Chinese Medicine questionnaires and general health conditions.
- Conduct data analysis and systematic reviews.
- Assist in drafting research proposals and manuscripts.

Job Requirements:

-
