Posting Detail Information

Position Summary

The [Department of Rehabilitation Science](#) in the School of Public Health and Health Professions (SPHHP) is recruiting one **10-month, state-funded, Clinical Assistant/Associate Professor**.

Responsibilities include:

- Teaching in UB's Occupational Therapy BS/MS program (typical teaching load up to 12 credit hours per semester depending on amount of scholarship and service)
- Contributing to all programs within Occupational Therapy and the Department of Rehabilitation Science
- Mentoring OT student research groups-advising students
- Contributing to ongoing curriculum quality improvement
- Demonstrate excellence in teaching, service, and scholarly activities; work towards professional growth to achieve excellence throughout academic career

The successful candidate will contribute to the teaching, scholarship and service mission of the program. Knowledge of higher education and contemporary clinical practice are essential along with research experience and excellent communication skills.

Department, School, and University:

The Department of Rehabilitation Science at UB has a longstanding history of excellence in clinical education in programs leading to the Doctor of Physical Therapy, the BS/MS in Occupational Therapy, and the PhD in Rehabilitation Science, with a post professional OTD program in development. The PT and OT entry-level programs have enjoyed continuous accreditation for more than 70 years. The OT program is highly competitive with a class-size of approximately 40-50 students, and received a full 10-year accreditation from ACOTE in 2017. For more information on the SPHHP Department of Rehabilitation Science, please visit: <http://sphhp.buffalo.edu/rehabilitation-science.html>

UB SPHHP is one of the only schools in the country to include both public health and health professions, providing unique opportunities for collaboration amongst students and faculty. For more information on UB SPHHP, please visit: <http://sphhp.buffalo.edu>

The University at Buffalo is the State University of New York's largest and most comprehensive research-intensive university and is its primary center for professional education and training. We are

Middle States Commission on Higher Education accredited and a member of the Association of American Universities. UB provides a rich environment for collaborative and transdisciplinary research with faculty within the SPHP and at other schools located in the Academic Health Center (Medicine and Biomedical Sciences, Dental Medicine, Pharmacy and Nursing).

Environment:

Buffalo is the second-largest city in New York State and is located on the shores of Lake Erie, upriver of the majestic Niagara Falls. Buffalo - the City of Good Neighbors - is undergoing a renaissance with a rapidly growing economy, vital academic health sciences center, and affordable cost of living. The Western New York educational system is excellent. Buffalo-Niagara is a region of 1.2 million people, world-class art galleries and museums, a comprehensive city-wide system of parks and green space, a vibrant theater and music community, and major and minor league sports teams.
