Posting Detail Information

Position Summary

The Auditory Processing and Perception Lab (Director: Dr. Mishaela DiNino; <https://ubwp.buffalo.edu/appl/>) in the Department of Communicative Disorders and Sciences at the University at Buffalo is seeking an organized individual capable of managing a variety of research projects. The laboratory investigates speech perception using behavioral and electrophysiological methods in adults of all ages.

Duties will include:

- Maintaining lab records, protocols, and supplies
- Collecting data with research participants
- Organizing and processing data
- Training undergraduate and graduate research assistants on experiment protocols

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. We support your growth and development through our career coaching and training department and we qualify as a public service loan forgiveness organization.
