Job Description

The University of Kentucky, College of Nursing is seeking a dynamic and dedicated individual to expand and resource the MSN and DNP programs. This position offers the opportunity to engage in teaching, advising, mentoring, and leadership, contributing to the continued growth and success of our graduate programs. The ideal candidate will possess a passion for nursing education and scholarly practice while supporting the development of Family Nurse Practitioners. The role will include responsibilities related to educational activities, research, clinical practice, and service to the University, fostering a collaborative environment for students, faculty, and staff. This position requires an individual to provide teaching, advising/mentoring, and leadership for the College and University while building scholarly practice related to the practice paradigm. The successful candidate will contribute to the ongoing development and expansion of the MSN/DNP programs, specifically supporting the education of Family Nurse Practitioners. This will be a position with a 12-month appointment and an anticipated Distribution of Effort of approximately 50-70% Teaching and Advising, 0-20% Clinical Practice Activities, 15-20% Research and Scholarly Activities, and 10% Service and
