in Traditional Chinese Medicine (TCM).

### About the Programme

SBS offers a Bachelor of Chinese Medicine Programme focuses on Chinese medicine as well as basic western medicine knowledge with the intention to produce Singapore-trained Chinese medicine professionals with in-depth knowledge of regional/local diseases. This is a bilingual course with English and Mandarin as the media of instruction.

The School is engaged in a wide range of research projects, provides Chinese Medicine healthcare services to the community, and seeks to foster modernization of the Chinese Medicine profession and advance Chinese Medicine as a modern science.

### Key Responsibilities

- Teaching major subjects within Chinese Materia Medica, Internal Medicine of Chinese Medicine, Chinese Medicine Pediatrics, Chinese Medicine Geriatrics as well as other Chinese Medicine subjects.
- Provide high quality TCM consultation and treatment services to patients.
- Supervising students during research projects and clinical internships.
- Conducting TCM courses as part of Continuing Professional Education (CPE) and share TCM knowledge and clinical experiences to registered TCM physicians.
- Delivering educational TCM talks and public run courses to raise awareness in TCM.
- Ensuring fairness and academic integrity in the setting and grading of examination papers.

### Qualifications and Requirements

- A registerable or registered qualification with the Singapore TCM Practitioners Board and/or a relevant PhD in Chinese Medicine from a recognised university.
- A minimum of 12 years of clinical experience, with a preferred specialty in Chinese Materia Medica, Pediatrics, Acupuncture, Geriatrics, Oncology, or Pain Management.
- Effectively bilingual (Mandarin and English), with strong computer literacy to manage electronic teaching and clinical systems.

## Application Procedure

Interested applicants are invited to submit through the NTU career portal a completed application package which include:

- A cover letter, detailing the applicant's interest in the position and their qualifications.
- A curriculum vitae, encompassing the full spectrum of the applicant's academic and professional experiences.
- A list of publications, highlighting the applicant's scholarly contributions to their field.
- An executive summary outlining the applicant's prospective research objectives, teaching philosophy, and envisioned contributions to service commitments.
- Contact information (names and email addresses) for three referees prepared to endorse the applicant's capabilities and professional demeanor through letters of reference.

Please clearly indicate the position applied for in your application.

## Emoluments

The successful candidate will be offered a highly competitive salary, generous start-up funding, and dedicated laboratory space to support the development of an internationally leading research program.

## Diversity Statement

SBS and CoS seeks a diverse and inclusive workforce and is committed to equality of opportunity. We welcome applications from all and recruit on the basis of merit, regardless of age, race, gender, religion, marital status and family responsibilities, or disability.
