Job Description

A Level C academic is expected to make significant contributions to the teaching effort of a discipline, school, faculty or other organisational unit or an interdisciplinary area. An academic at this level is also expected to play a major role in scholarship, research and/or professional activities.

This position is based at the Main Campus, and the appointee will contribute to teaching in the Bachelor of Human Nutrition. In addition, the appointee will be expected to undertake research projects for the Bachelor of Human Nutrition. The appointee should have a track record of research in the area of Nutrition and actively contribute to administrative services and unit coordination within the School.
