undergraduate and graduate programs that prepare competent graduates, destined to shape the future of Qatar. The university community has diverse and committed faculty who teach and conduct research, which addresses relevant local and regional challenges, advances knowledge, and contributes actively to addressing the needs and aspirations of society.

### **College of Health Sciences Profile:**

The College of Health Sciences (CHS) is home to a number of exciting undergraduate and graduate programs in the health sciences. From nutrition and rehabilitation sciences to biomedical sciences and public health, our range of offerings is designed to meet the needs of Qatar's growing health sector. Our programs boast innovative curricula, intensive experiential learning, and exciting research opportunities.

CHS is also a member of QU Health, a unique and strategic clustering of medical and allied health programs, which includes the Colleges of Medicine, Dental Medicine, Nursing and Pharmacy. At QU Health, the health teams of tomorrow start their professional journey learning and interacting together in a diverse environment and faculty across colleges work together in multidisciplinary research groups.

### **Position Summary:**

The B.Sc. in Nutrition & Dietetics under the Department of Nutrition Sciences is seeking to recruit a qualified candidate for an academic position in nutrition at the level of Teaching Assistant, beginning January 2026. The candidate will be required to assist faculty members in the program, particularly in the courses, practical lab sessions, student work groups, undergraduate research and community service.

### **Duties & Responsibilities:**

- Conduct laboratory sessions and supervise student-working groups in the nutrition and food courses
- Support students in the learning process through tutorials and other supporting educational processes
- Assist instructors in following up and grading student assignments
- Assist instructors and students in securing academic resources/reference materials for courses
- Assist in the community service, marketing, and outreach activities of the department programs.
- Contribute to various committees at the department, college, and university level.
- Engage in professional development activities/training to enhance teaching effectiveness and stay updated about advancements in the field.
- Other responsibilities as assigned by the Head of Department
