**Job
Description**

The University of South Carolina College of Nursing is seeking visionary **nurse scientists** to fill three prestigious **senior endowed chair positions**, offering unparalleled opportunities to advance research, mentor future leaders, and shape the future of nursing science:

SmartState Endowed Chair – Chronic Care Management

- Opportunity: Lead the **Center for Advancing Chronic Care Outcomes through Research and Innovation (ACORN)**, focusing on multidisciplinary research to improve health and quality of life among people with chronic conditions.
- <https://uscjobs.sc.edu/postings/180676>

Dunn-Shealy Endowed Professor – Oncology Nursing

- Opportunity: Lead the **Cancer Survivorship Research Center (CSRC)** to shape the future of cancer care through innovative research, mentorship, and collaboration.
- <https://uscjobs.sc.edu/postings/170168>

Health Sciences Endowed Professor – Maternal-Child Health

- Opportunity: Lead the **Perinatal, Pediatrics, and Family Research Center (PPFRC)**, advancing health outcomes for women, children, and families.
- <https://uscjobs.sc.edu/postings/180670>

Why USC College of Nursing?

- **Cutting-Edge Research:** Collaborate with renowned researchers, engage with established research centers, and access state-of-the-art facilities.
- **Health Equity Focus:** Collaborate through the USC Collaborative for Health Equity and Disparities, providing enhanced opportunities for impactful and community-driven research.
- **Mentorship & Growth:** Attract and mentor top-tier students and faculty. Enjoy mentoring, networking, and growth opportunities in a dynamic supportive environment.
- **Competitive Compensation & Benefits:** Benefit from generous start-up funding, a robust
