Full-Time

### Posting Detail Information

#### Position Summary

The [UBMD Internal Medicine, Division of Allergy, Immunology & Rheumatology](#) is seeking applicants for a full-time Nurse Practitioner/ Physician Assistant (APP).

The Advanced Practice Provider (APP) operates under the direction and supervision of one or more physicians, providing healthcare services for adults within the Division of Allergy, Immunology and Rheumatology. Together with the attending physician they are responsible for:

- General patient care including histories, physical exams and treatment decisions. The APP will be responsible for writing appropriate prescriptions.
- Ordering lab tests, imaging, and other diagnostic assessments and conveying results to patient and attending and primary care physicians.
- Learning to do and administering and interpreting allergy skin tests.
- Ordering follow-up patient visits.
- Completing all documentation in the electronic health record and timely billing for patient encounters.

We are committed to a professional environment that is positive, respectful, cohesive and supportive of cultural and individual differences in the service of our clinical and academic goals.

#### About The University at Buffalo
