Posting Detail Information

Position Summary

The [**Center of Excellence for Alzheimers Disease \(CEAD\)**](#) is a Department Of Health (DOH) funded program to support the Alzheimers Disease and Memory Disorders Center (ADMDC) at the University at Buffalo to provide state of the art medical services consistent with evolving practice standards which enhances and standardizes AD/D care in the region. The goal is to facilitate early diagnosis, provide assistance with care planning, educate the health care workforce and integrate special populations. The CEAD is seeking a professional to fill the position of Registered Nurse (RN).

Duties include:

- supporting providers in the Alzheimers Clinic at UBMD Neurology (Conventus building and Williamsville offices)
- performing clinical assessments
- assisting with the infusion program
- supporting clinical trial visits
- participating at our multidisciplinary consensus conference.

The weekly schedule is consistent and provides various experiences and duties in a supportive environment. The candidate will work closely with neurologists, PA, social workers, infusion center and research coordinator. Training will be provided.

Nursing skills required:

- clinical assessment including cognitive testing
- phlebotomy
- performing ECG
- vitals
- medication reconciliation

Learn more:

- Our [**benefits**](#), where we prioritize your well-being and success to enhance every aspect of your life.
- Being a part of the [**University at Buffalo community**](#).
