in professional development opportunities to ensure the curriculum remains relevant.

- Prepares and teaches courses as assigned within the Allied Health Programs.
- Assists with activities of the Allied Health Programs including curriculum, facilities, equipment, students' applications, program promotion, Advisory Board, externship partnerships and placements, and compliance with national accrediting agencies.
- Assists the Instructional Services Unit in identifying process improvement initiatives including budgets regarding health-related programs.
- Conducts Allied Health student interviews, ensures compliance with program prerequisites, and assists with Student Orientation.
- Assists with Allied Health events both internal and external.
- Provides hands-on clinical training as it relates to the central sterilization competencies.
- Collaborates with the Instructional Services Unit regarding student retention, program enrollment, and program completion.
- Works effectively with supervisors, colleagues, staff, and students as part of an education team that is dedicated to creating an environment conducive to meeting the students' learning needs.
- Ensures integrity, accuracy, and efficiency of academic activities including classrooms, labs, and externships.
- Collaborates with the Instructional Services Unit on the implementation of externships and ensures that all students receive appropriate and sufficient experience.
- Enters grades and attendance into BANNER.
- Prepares students to take the National Central Sterilization Certification Exam
- Provides hands-on assessment regarding the cleaning, disinfection, and sterilization of patient equipment.
- Engages in the classroom, replies to emails and voicemails, and holds on-campus or online office hours.
- Evaluates students' performance and provides effective and timely feedback to guide student learning and success.
- Ability to conduct research or service in support of the mission and vision of the Buffalo EOC.
- Delivers tests and certifications following all procedures.
- Assists with the National Certification Testing application process.

About the Buffalo Educational Opportunity Center

The Buffalo Educational Opportunity Center (BEOC), an adult education enterprise, of the State University of New York, University Center for Academic and Workforce Development (UCAWD), with an annual enrollment of 1,940 students, is seeking applications for an Adjunct Instructor for the Allied Health Central Sterilization Technician Program. The mission of BEOC is to produce lifelong learners who are self-directed, empowered, and committed to excellence. Residents of the surrounding Buffalo community are provided a range of services designed to develop the academic and workforce development skills necessary to become self-sufficient. Programs and services are structured to adapt to the needs of our students — as well as to the demands of our community — and serve as first steps toward the attainment of long-term educational and employment skills. To learn more about the Buffalo Educational Opportunity Center, visit us online at <http://www.buffalo.edu/eoc.html>.

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
