As a part of a diverse community of faculty and staff who represent many faith systems and worldviews, Marian University seeks a program Director of Occupational Therapy to promote our Catholic Franciscan mission and identity by being responsible for the inaugural start of OTD and application for ACOTE accreditation.

The successful candidate will be a driven, visionary leader overseeing program development, organization, administration, planning, and hiring the faculty who teach within the program. This will be a key leader for the institution to grow new programs in health professions that will increase enrollment, increase revenue, and reinforce brand identity in the health professions.

The candidate will be a full time, core faculty member holding the rank of clinical associate, associate professor, or full professor. This is a full time, core faculty appointment with administrative release time to carry out the duties and responsibilities of the program director. The OTD program is offered year-round at the University.

Essential Duties and Responsibilities:

Mission

Actively engage the Catholic Franciscan mission and identity of Marian University by modeling the Franciscan Sponsorship Values, honoring the legacy of the founding congregation, promoting unity in diversity, and integrating the Catholic Franciscan Intellectual traditions in courses, programs, and services.

Vision

- Implementing the OTD program that will position Marian University as a leader in meeting/exceeding Marian University's strategic plan and enrollment goals and impact our community and the greater good.
- Supporting excellence In occupational therapy education which opens access to new segments of learners, meeting learners where they are, and creating the support structures and programs that best serve students.

Leadership

- Ability to develop a culture of supporting excellence.
- Responsibility for communication, program assessment and planning, fiscal management, and faculty hiring and evaluations. Provides on-going professional development and growth for each member of the occupational therapy team, Ability to recruit, train, and retain talent.
