offered in the EMS department. The candidate may be assigned 90% teaching load and 10% reassign time to serve as the EMT Program Director and/or Program Clinical Coordinator.

The Butte College EMS Department offers EMT and Paramedic courses. Faculty work collaboratively to ensure that EMS course offerings are current and related to one another. Our state-of-the-art facility includes smart classrooms and a dedicated lab with modern equipment and simulators for EMS courses. Our clinical and field affiliates are local and very supportive of our programs. Butte College is committed to providing excellent EMS education and that is reflected in our National Registry pass rates, which are well above the national average. Our paramedic program has been continuously accredited by CoAEMSP, and all our programs are well supported and approved by our local EMS Agency, Sierra Sacramento Valley EMSA.

### **POSITION DUTIES:**

In addition to the responsibilities of the classification description, the specific position is also responsible for:

- Primary Instructor in EMT courses to include lecture, lab and clinical instruction and oversight.
- Responsible for EMS program requirements including curriculum development, course coordination, and instruction.
- Knowledgeable of the California Code of Regulations, Title 22, Social Security Division 9 and ensures compliance with these regulations for the EMS Program.
- May serve as EMT Program Director and/or Program Clinical Coordinator and/or Primary Instructor for the EMT Program, as outlined by California Code of Regulations, Title 22, Section 100070 – Teaching Staff.

**Butte-Glenn Community College District is an Equal Opportunity Employer. In compliance with the Americans with Disabilities Act, Butte-Glenn Community College District will provide reasonable accommodation to qualified individuals. Butte-Glenn Community College District encourages both incumbents and individuals who have been offered employment to discuss potential accommodations with the employer**
