FACULTY OPENING FOR DIAGNOSTIC RADIOGRAPHY AT THE SINGAPORE INSTITUTE OF TECHNOLOGY

The Singapore Institute of Technology (SIT) is Singapore's first University of Applied Learning, offering industry-relevant degree programmes that prepare its graduates to be work- and future-ready professionals. Its mission is to maximise the potential of its learners and to innovate with industry, through an integrated applied learning and research approach, so as to contribute to the economy and society.

The university's unique pedagogy integrates clinical practice education and academic endeavour, embracing authentic learning in a real-world environment through collaborations with key strategic partners. Its focus on applied research with clinical impact is aimed at helping the healthcare and social services sector innovate and grow.

As a young university, we would like to foster an academic environment that seamlessly integrates teaching, applied research and clinical practice. We offer competitive remuneration, generous employment benefits, access to funding to undertake research of relevance to industry, and opportunities to inspire and nurture the next generation of skilled allied health professionals. We currently have positions available at all levels, from Lecturer to Full Professor, for the discipline-**Diagnostic Radiography** in the Health and Social Sciences Cluster.

Applicants should possess either:

a. an earned PhD or equivalent professional Doctorate from a reputable university in the relevant discipline with clinical experience, or
b. extensive years of relevant professional experience with demonstrated strong clinical expertise in one of the following areas:

- General Radiography
- Computed Tomography
- Magnetic Resonance Imaging

Lecturer / Senior Lecturer / Assistant Professor / Associate Professor/ Professor (Health and Social Sciences)
Singapore Institute of Technology

- Sonography
- Fluoroscopy and Angiography
- Medical/Imaging Informatics

The appointee will be expected to undertake funded clinical-relevant research, teach courses in Diagnostic Radiography and/or Master of Health Sciences programme, as well as supervise undergraduate and postgraduate students in relevant topics. They are also provided with paid leave to undertake consultancy work with healthcare industry and/or spend time attached with the industry.

Applications will be accepted until the positions are filled. All applications must be submitted electronically via the "Apply Now" button below. Please contact the HSS Cluster Director, Associate Professor Tan Bhing Leet or Programme Leader, Associate Professor Christopher Lai via HR_Faculty@singaporetech.edu.sg if you have any enquiries relating to these opportunities.
