Clinical Education expectations:

The Associate Director of Clinical Education will assist the Director of Clinical Education with the following job duties:

- Develop and sustain the existing DPT clinical education program
- Completing in person and zoom clinical site visits
- Networking and outreach with new and existing clinical partners
- Administrative duties including utilizing Exxat, Web CPI, Excel and Google Forms
- Assisting in the clinical site selection process, student onboarding and student mentorship
- Frequent collaboration with the DCE regarding student clinical education preparation, supervision and collecting outcome data

Annual salary commensurate with qualification and rank of appointment. This is a 10-month academic year position. An additional 2 months of summer service are available.
